AMENDED IN SENATE JANUARY 23, 2006

AMENDED IN SENATE JANUARY 17, 2006

AMENDED IN SENATE JANUARY 4, 2006

SENATE BILL

No. 560

Introduced by Senator Migden
(Coauthor: Assembly Member Wyland)

February 18, 2005

An act relating to career technical education.

LEGISLATIVE COUNSEL'S DIGEST

SB 560, as amended, Migden. Career technical education: school district reporting.

Existing law requires school districts to adopt a course of study for grades 7 to 12, inclusive, that includes, among other things, career technical education.

This bill would require a school district offering grades 9 to 12, inclusive, that discontinued any career technical education courses or closed any career technical education facilities during the 2002–03, 2003–04, 2004–05, or 2005–06 school years, to submit to the State Department of Education a report on those discontinued courses and closed facilities, as specified, if the school district is required to provide the data *to the department or the State Allocation Board* as a condition of receiving career technology facility modernization funding made available by a bond act adopted after January 1, 2007. This bill would require the department to develop and post on its Internet Web site a document that school districts may use to report the required data online. The bill would require the department, by

January 1, 2009, to summarize the reports and submit a report of its summary to the Legislature.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. (a) A school district offering grades 9 to 12,
2 inclusive, that discontinued any career technical education
3 courses or closed any career technical education facilities during
4 the 2002–03, 2003–04, 2004–05, or 2005–06 school years, shall
5 submit a report detailing these changes to the State Department
6 of Education pursuant to subdivision (b), if providing the data to
7 the department *or the State Allocation Board* is a condition of the
8 receipt of career technology facility modernization funding made
9 available by a bond act that is adopted after January 1, 2007.

10 (b) A school district to which subdivision (a) applies shall, by
11 January 1, 2008, submit to the department a report that includes
12 all of the following:

13 (1) A list that identifies each of the courses that were
14 discontinued and the facilities that were closed.

15 (2) The number of career technical education courses offered
16 by the school district prior to the 2002–03 school year and the
17 number of career technical education courses offered by the
18 school district after the 2005–06 school year.

19 (3) The number of career technical education facilities existing
20 in the school district prior to the 2002–03 school year and the
21 number of career technical education facilities existing in the
22 school district after the 2005–06 school year.

23 (c) The department shall develop and post on its Internet Web
24 site a document that school districts may use to submit the data
25 required pursuant to subdivision (b) online.

26 (d) The department shall, by January 1, 2009, summarize the
27 reports that it receives pursuant to subdivision (a) and submit a
28 report of its summary to the Legislature.

29 ~~SEC. 2. If the Commission on State Mandates determines that~~
30 ~~this act contains costs mandated by the state, reimbursement to~~
31 ~~local agencies and school districts for those costs shall be made~~

1 pursuant to Part 7 (commencing with Section 17500) of Division
2 4 of Title 2 of the Government Code.
